

T3thr End User License Agreement

Document ID: T3THR-EULA-2.1

Version: 2.1

Effective date: May 24, 2026

Last updated: May 24, 2026

IMPORTANT: This EULA is between you and Fors33 for T3thr software, including connectors, binaries, and documentation. By installing or using T3thr, you agree to this EULA and the T3thr Privacy Policy (T3THR-PRIVACY-2.0).

1. Grant of license

A limited, revocable, non-exclusive, non-transferable license to use T3thr per your tier and documentation.

2. Restrictions

No reverse engineering except as permitted by law, no credential sharing, no license circumvention, no competing product built from T3thr.

3. Live connectors and third-party dependencies

T3thr may connect to third-party APIs, WebSockets, message brokers, or file sources you configure. Fors33 does not control and is not liable for third-party uptime, accuracy, rate limits, connection drops, or resource exhaustion on your hosts. You are responsible for network security and provider terms.

4. Use inside L3dgr

When T3thr runs inside the L3dgr Docker Desktop Extension, you also agree to the L3dgr EULA (L3DGR-EULA-2.1) for the composite workstation. T3thr performs ETL and transport; L3dgr performs ledger, sealing, and compliance policy.

5. Disclaimers

Software is provided "AS IS." Fors33 disclaims legal, financial, and regulatory advice and does not guarantee compliance outcomes.

6. Data

See T3THR-PRIVACY-2.0. No harvesting of raw pipeline contents by default.

7. Limitation of liability

As stated in the L3dgr EULA framework: no consequential damages; liability cap of twelve months of fees paid for T3thr.

8. Termination

On breach or subscription end, cease use and destroy credentials.

9. Governing law

Jurisdiction of Fors33 establishment, subject to mandatory local law.

10. Export compliance

You represent that you are not located in, controlled by, or a resident of embargoed jurisdictions or prohibited party lists, and you will not export or re-export T3thr in violation of U.S. export laws. See also Section 6 of the Fors33 Acceptable Use Policy (FORS33-AUP-2.0).
