

# T3thr Terms of Service

Document ID: T3THR-TOS-2.1

Version: 2.1

Effective date: May 24, 2026

Last updated: May 24, 2026

These Terms govern T3thr subscriptions and fors33.com billing portals for T3thr.

Document hierarchy: Software installation and use are under the T3thr End User License Agreement (T3THR-EULA-2.1). Fors33 website and account portal use are under the Fors33 Terms of Service (FORS33-TOS-2.0). Privacy practices are in the T3thr Privacy Policy (T3THR-PRIVACY-2.0) and, for fors33.com account and billing portals, the Fors33 Privacy Policy (FORS33-PRIVACY-2.2). When T3thr is bundled with an L3dgr subscription, the L3dgr Terms of Service (L3DGR-TOS-2.1) also apply to that purchase.

## 1. Acceptance

By purchasing or accessing T3thr account services, you agree to these Terms and the document hierarchy above.

## 2. Accounts

You are responsible for securing credentials and license material.

## 3. Billing and subscriptions

Payments are processed by Stripe or another designated processor. Subscriptions renew automatically until canceled through the Stripe Customer Portal linked from fors33.com/account unless you purchased through a signed order form. Digital license sales are final except where required by law. Applicable taxes may be added at checkout. License delivery, account linking, payment failure, grace periods, and price changes for self-serve tiers follow the L3dgr Terms of Service (L3DGR-TOS-2.1) when T3thr is bundled with L3dgr, or the Fors33 Terms of Service (FORS33-TOS-2.0) for standalone T3thr Pro purchases. Free trial terms, if offered, are shown at checkout.

## 4. Acceptable use

No abuse of Fors33 infrastructure; comply with FORS33-AUP-2.0.

## 5. Intellectual property

Fors33 owns T3thr branding and site content.

## 6. Support and service levels

Self-serve T3thr Pro does not include a published SLA unless stated on fors33.com at purchase. Custom SLAs exist only in a signed Fors33 Subscription Order Form (FORS33-ORDER-FORM-2.0).

## **7. Liability**

Portal provided "AS IS"; software liability under the EULA.

## **8. Contact**
